

ZEKE

Technical and Hospitality Rider + Stageplot

Zeke is a high energy fast punk rock show, we are experienced professionals and take the shows seriously, but we ultimately want to have FUN. We view the show as a partnership between artist and promoter/venue, so it's important that we understand each other's needs in order to have a FUN smooth running show for all.

PERFORMANCE

Set Length:

Zeke perform for 45-60 minutes, including encores.

We Require at least 30 minutes after the set before any curfew to sell merchandise.

Here is an example of how a night should run:

Doors: 8 p.m

Support band 1: 8:45 - 9:15 pm (30 min set)

Support band 2 (if it applies): 9:30 - 10:00pm (30 min set)

Zeke: 10:30 - 11:30 pm

Curfew: 12:30 am

SUPPORT BANDS

No local openers, support bands or DJs are to be booked unless Zekes management have given prior approval. We are happy to work the local openers and support bands found by the promoter or venue, but please approve with Zekes management and agent first. No more than **TWO** (2) support bands unless Zekes management have given prior approval. Zekes set time must be **No later than 11pm** unless Zekes management have given prior approval. Contact Zekes Management: donnyhales@gmail.com

TECH RIDER

The venue or promoter will provide a professional soundman and monitor engineer at their expense. Zeke needs to have a PA capable of handling up to 16 inputs plus 4 separate monitor mixes. **See separately attached stage plot / input list and engineer notes **

Backstage, Hotels, Guest List, Merch, Security/Parking

1)Backstage:

Zeke needs to have their own secure and private dressing room — with lock and key or with security personnel outside of room.

2)Hotels for Five (5) people:

a) Three (3) total NON-SMOKING hotel rooms as follows:

-Two (2) double rooms with TWO (2) Double beds in each room for 3 people, ONE(1) Single room with 1 King or Queen Bed for 2 people, all rooms must have own private bathroom and shower, and working air conditioning. (NON-SMOKING)

Bunk beds or group arrangements with other people and hostels are NOT acceptable.

b) All hotel rooms must have air conditioning.

c) The hotel needs to be at least four (3) stars and have website for band management to check and approve at least two weeks before show.

d) All hotels must have private and secure parking paid by promoter.

e) Breakfast included and paid by promoter.

f) Please send hotel website/info to: donnyhales@gmail.com

g) Proximity of hotel to the venue is also appreciated. 10 miles or less from the venue.

3) Guest List:

Zeke need's a minimum of 15 complimentary guest passes for each performance that is open to the public.

4) Merchandise:

The band needs a clean, well lit (lamps) area to sell merchandise. They must also be able to hang up T-shirts and other items for display. One (1) ten (10)foot table must also be provided by the venue in order to display the merchandise (albums, CDs, shirts, posters, etc).

5) Security/Parking:

Please provide a secure and exclusive parking space for the band's touring van / vehicle within venue premises. THIS IS VERY IMPORTANT. THANK YOU.
