

The Liptones are the only one of few classic bands from the Scandinavian 90s SKA boom still going strong!

They are still playing to sweaty crowds and releasing new high quality SKA tunes to the world.

Starting in -97, the six-piece band has been together for 25 years. Releasing 5 full length albums along the way that's filled with high energy Swe-tone SKA with a wide range of influences such as classic British 2-tone, original 60s SKA, soul, rock and last but not least PUNK!

Their latest double album Wolfman/It's alive, was released in 2022 and contains one new studio LP and one live LP.
